newloss@rmcteam.com M (949) 469-1745
O (913) 601-4546 Sacramento, CA**EXPERIENCE**

Mario joined RMC Group as a Building Consultant in 2023. With nearly 10 years of experience in the construction and restoration industry, he has consulted on a variety of commercial and residential losses caused by wind, fire, water, and mold

Mario is detail oriented and service focused individual who ensures his clients always feel heard and understood. During his time in the industry, Mario has seen all aspects of the restoration process and prepared estimates for a variety of stake holders including Insurance Carriers, Third Party Administrators, Public Adjusters, and Policyholders.

FEATURED PROJECTS

- Northern California - Wind Events March 2024
Provided \$1.8 million in structural damage assessments and estimates for 11 single-family properties impacted by fallen trees.
- Lahaina, HI - Wildfire 2023
Estimated \$17 million of damage for 16 single-family residence properties, all total losses. Additionally, assessed and estimated an additional \$500k in repairs for 21 HOA bare wall policy claims.
- Santa Rosa, CA - Fire Damage 2023
Provided comprehensive loss value recommendations for a fire-damaged rectory. Scope included detailed assessments for abatement, pack out, pack back, asbestos abatement, cleaning, and repair processes. Managed project, including persistent monitoring of various phases, ensuring on-time and on-budget completion within reserve recommendations. Reviewed all invoices and coordinated with general contractor to reach agreed repair scope.
- Sacramento, CA - Builder's Risk Fire 2023
Provided \$500k in loss value recommendations for a fire that occurred during renovations to a building in the historic district.

RELEVANT EXPERIENCE
