EXPERIENCE

Todd Menchofer joined RMC Group as a Senior Building Consultant in 2023 and brings with him nearly 15 years of experience estimating insurance claims to determine the amplitude and scope of work to restore the property to pre-loss conditions.

Todd is proficient at writing claims in Xactimate and takes pride in his communication with clients and excellent customer service. He also holds multiple IICRC Certifications.

FEATURED PROJECTS

- **Fire, Cincinanati, OH - 2020**
  Consulted with Travelers insurance on a multi-unit condo complex. Reviewed mitigation estimates and prepared a comparable structure estimate for the carrier.

- **Fire, Loveland, OH - 2020**
  Consulted with Travelers insurance on a multi-unit apartment complex. Reviewed mitigation estimates and prepared a comparable structure estimate for the carrier.

- **Tornado, Dayton, OH - 2019**
  Scoped and estimated several residential large loss wind claims. Worked with several carriers to ensure proper scope and cost captured for repairs.

- **Fire, Cincinnati, OH - 2017**
  Scoped and estimated fire loss in an 8 unit apartment building. Worked with carrier and customer to prepare a complete estimate for repairs.

- **Fire, Courtyard Marriot - 2016**
  Estimated and coordinated mitigation and repairs on large fire loss with extensive damage to exterior and interior of the hotel including all 78 rooms, conference room and indoor pool.
